

POSHAKH: Celebrating Cultural Diversity

Our school hosted "Poshakh," a British Council initiative comprising two activities that promoted cultural awareness and global citizenship. The students of Std III participated in the "Khari Kamai - Traditional Fiesta," on 1st February 2025, where they dressed in traditional attire from India, Oman, Japan, and Nepal, and greeted each other in various languages. The students of Std IV were engaged in the "Diversity Awareness through Paper Doll Craft" on 14th February 2025 activity, designing and creating dolls that represented diverse cultures. Their creations were showcased in a school exhibition. These activities fostered cultural appreciation, creativity, and global understanding among students.
